

Call for applications Transcultural Forays: Activity Grants

As part of its Transcultural Forays initiative, the Heidelberg Centre for Transcultural Studies (HCTS) calls for applications to support academic events. The Transcultural Forays initiative offers different formats to encourage research that furthers and consolidates the transcultural research perspective established in Heidelberg over the past decade.

To this end, we now welcome applications for support to academic events (international conferences, internal workshops, lecture series, public outreach and transfer, etc). Only events planned in the context of preparations for future collaborative research projects and possible applications for third party funding will be funded. Applications by members or alumni of Heidelberg University should include the following documents:

- title and abstract of the event with a paragraph outlining the connection to the Transcultural Studies;
- tentative programme and list of participants;
- a budgetary plan.

Applications should be submitted **as one PDF-file** via e-mail to Dr. Oliver Lamers (lamers@asia-europe.uni-heidelberg.de). He will also answer to any enquiries.

The deadline for applications is **January 8th, 2018**.
