

Call for applications

Transcultural Forays: Publication Grants

As part of its Transcultural Forays initiative, the Heidelberg Centre for Transcultural Studies (HCTS) calls for applications to support the writing of an academic publication. The Transcultural Forays initiative offers different formats to encourage research that furthers and consolidates the transcultural research perspective established in Heidelberg over the past decade.

To this end, we now welcome applications for support to the finalizing of a publication (monograph or peer-reviewed article). Applications by members or alumni of Heidelberg University should include the following documents:

- title and abstract of the publication with a paragraph outlining the connection to Transcultural Studies;
- contract with publishing house, letters by peer reviewers, or further proof of the acceptance for publication;
- a detailed workplan of up to six months outlining the milestones towards the final submission;
- a budgetary plan;
- in case of publications submitted for qualification (Dissertation, Habilitationsschrift) the evaluators' letters.

Funding may include a student assistant, costs for (foreign language) copy-editing, the (partial) payment of the printing costs as well as a short-term stipend.

Applications should be submitted **as one PDF-file** via e-mail to Dr. Oliver Lamers (lamers@asia-europe.uni-heidelberg.de). He will also answer to any enquiries.

The deadline for applications is **January 8th, 2018**.
